ORDER:(per BPR,J)

Heard both sides, and at their request, the main writ petition itself is taken up for disposal.

The petitioners herein filed this writ petition *interalia* seeking to assail the interim orders granted by the A.P. Administrative

Tribunal in an application filed under Section 19 of the Tribunals Act, wherein the contesting respondent herein assailed the orders dated 13-03-2006 re-suspending him in spite of the earlier orders of reinstatement made on 18-02-2006.

On consideration of the submission made on either side and also on perusal of the material on record, it is seen that since this writ petition is only against the interim order, and especially, by taking note of the fact that now the charge sheet is filed and the tribunal in fact sought to proceed prior to filing of the said charge sheet, we do not find favour with the petitioners herein by merely accepting the case at FIR stage. However, having regard to the nature of allegations as pointed out in the charge sheet and the seizures thereon, we are not inclined to support the orders of the tribunal in suspending the orders of suspension passed against the respondent herein. This Court has already granted interim suspension of the said orders on 24-04-2006, and despite, it is more desirable that the main OA itself be disposed of at the earliest on merits.

The writ petition is accordingly disposed of directing the tribunal to dispose of the main OA as expeditiously as possible. It is needless to mention that the interim orders granted by this Court shall continue to remain in force till the disposal of the OA. No costs.
